

Top-up and tap-on with Opal

With changes occurring to the Macquarie Park transport network over the coming months, now is the time to tap into Opal benefits.

Did you know:

- The new Station Link bus services (commencing 30 September 2018) are pre-pay Opal only, meaning you can't pay with cash when you hop on
- You can set up your Opal card with automatic top-ups, so you are always ready to travel – go to opal.com.au
- Station Link bus fares are the same as a standard train fare
- Discounts apply to travel in the off peak.
