

# Road Upgrades on Warringah Freeway

Information for people travelling from **Northern Beaches or Lower North Shore**

June 2023

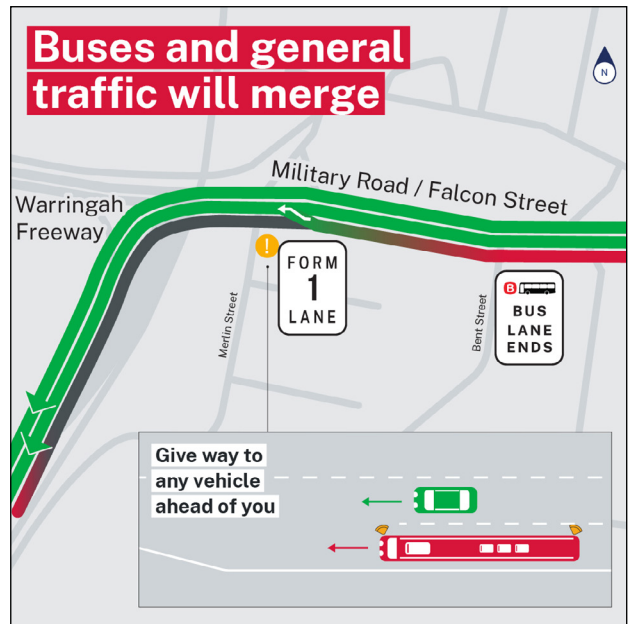

## Road Upgrades on Warringah Freeway

### Avoid delays on Military Road

We are making improvements to Sydney roads, to make it safer and easier for all of us to get around.

From 16 June 2023, there may be delays to your journey if you commute on Military Road. Traffic conditions will change along Falcon Street requiring buses and general traffic to merge into the one lane. This may cause queuing along Military Road during busy periods.

To avoid delays on your journey to work, we recommend making some changes to how you travel.

### If you currently drive

#### Leave the car at home

Why not take the bus to remove the stress and avoid navigating the disruption. You can also save money on petrol and parking. If you live near a ferry wharf, take ride in on Sydney's most beautiful Harbour.

#### Travel earlier or later

Start your day earlier and enjoy some time to yourself or start the day later. For a smoother journey, try travelling before 7am and after 9am on Tuesdays, Wednesdays and Thursdays.

### If you catch the bus now

#### Travel earlier or later

Start your day earlier and enjoy some time to yourself or start the day later. For a smoother journey, try travelling before 7am and after 9am, to limit the delays you experience on Tuesdays, Wednesdays and Thursdays.

#### Trip Planner

See how easy it is to make this change. Use **Trip Planner** to find our best route to the office.
