

5 steps for a better commute

STEP 1

1. Plan your commute

Use our trip **planning tools** to find the best way to commute to campus. Check out your university websites for all on campus connections and facilities.

STEP 2

2. Get organised

Make your commute easy by always carrying your student ID and Opal Concession Cards. Bring accessories for all your devices, and a drink bottle to stay hydrated.

STEP 3

3. Make the most of your campus days

Incorporate your social activities before/ after your classes, check out your campus facilities and get your workout done while you're on campus to avoid peak travel.

STEP 4

4. Check on the latest transport updates and changes

Keep updated with all the latest transport information and alerts.

STEP 5

5. Reassess and reset

Continually reassess and reset your commuting arrangements. Use our trip **planning tools** for alternative options and mix it up and try a new way if your old ways no longer work.
